NATIONAL INTRLLICENCE AUTHORITY

ENDORSEMENT OF H.R. 6448

Memorandum by the Birestor of Central Intelligence with the Unanimous Concurrence of the Intelligence Advisory Board

- 1. It is recommended that the Mational Intelligence Authority authorize the dispatch to Hon. Wilbur D. Mills, Member of Congress from Arkansas, of a letter endorsing H.R. 6448.
- 2. This Bill, introduced into the House by Mr. Mills, provides for the establishment of a Mational Science Foundation as an independent Government agency. The purpose of the proposed Foundation is to premate the progress of science and the useful arts, secure the national defense, and advance the national health, prosperity, and welfare.
- 3. The Bill is outlined in Appendix "E". It has full endorsement of the Office of Scientific Research and Development which would be absorbed by the Feundation.
- A. The proposed activities and organization of the Foundatian have been given careful consideration by the Central Intelligence Group and it is felt that establishment of the Foundation as proposed in this Bill will be of considerable value to the Mational Intelligence Authority in the performance of its mission.
- 5. On approval by the Mational Intelligence Authority of the above recommendation, the letter of endorsement, Appendix "A", will be dispatched to Mr. Mills.
